## **Middle School Choir Auditions**

## Thursday, August 24, 2023 3:00-3:45 PM

The All Saints Middle School Choir is for students in grades 6-8 who love to sing and want to serve by singing at mass. The middle school choir will be featured at some of the weekly liturgies and during special events. The middle school choir will assist the elementary choir and starting in January the focus will be on the All Saints Drama presentation. If you love to sing and want to learn more about music, this is the place for you!

Students come directly to the music room at dismissal time and then I will take them to aftercare or carline. Aftercare students must sign in before coming to the music room.

If you were in choir last year you do not need to re audition, please come to the first rehearsal on Monday, August 21, 3:00-3:45.
